Membership Benefits

Educational Discounts

Receive up to a 20% discount per attendee for WSPMA sponsored seminars.

The WSPMA strives to provide seminars that satisfy 15 credit hours per year.

Comradery

The WSPMA Membership is comprised of 200+ Pest Management Professionals that you can share experiences and concepts with and ask for guidance.

Legislative Support

The WSPMA stays ahead of regulatory updates and proposed changes at the state level.

- The WSPMA has had an impact on the ergonomics rule and licensing of Home Inspectors.
- The Department of Agriculture and the WSPMA worked closely to develop and write the standards for Wood Destroying Organisms reports, and the WSPMA WDO form is standard around the state.
- The WSPMA has advised our legislatures on the overtime rule changes.
- Currently the WSPMA is in close contact with the WSDA regarding testing changes.

Ethics Standard Accountability

We believe there is a higher standard and we expect every Member to adhere to those (review WSPMA ethics standards on our website)

Seminars for Field Personnel and Business Owners

Seminar topics range from biology and treatment methods to employment practices, regulations and insurance needs.

- For field personnel the WSPMA has had Bobby Corrigan, Jeffery Tucker, Dini Miller, Laurel Hansen and more out and each year record attendance is set.
- Business owners have been provided seminars with topics of overtime rule changes, contracts, insurance and mergers and acquisitions.
